Students' Satisfaction Survey 2021-22

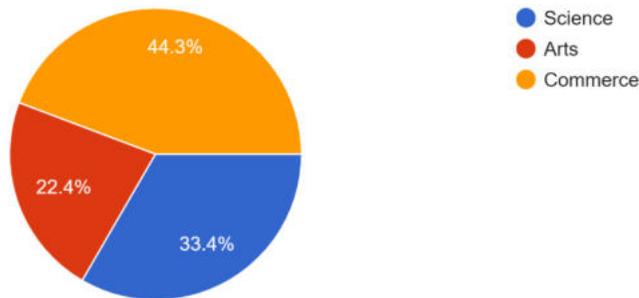

Students' Satisfaction Survey for the year 2021-22 has been conducted in online mode using a google form. The link for ensuring students participation has been shared with the students through college website, SMS and through teachers. This year 1819 students participated in the survey.

The form has been divided into two sections- First section includes primary details about faculty, gender, program offered and attendance of the students. The questions and response of the students in the form of the Pie chart is appended below.

- **Primary details :**

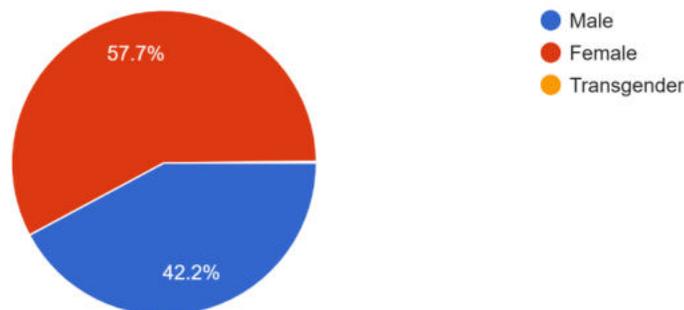

Choose your faculty:

1,819 responses

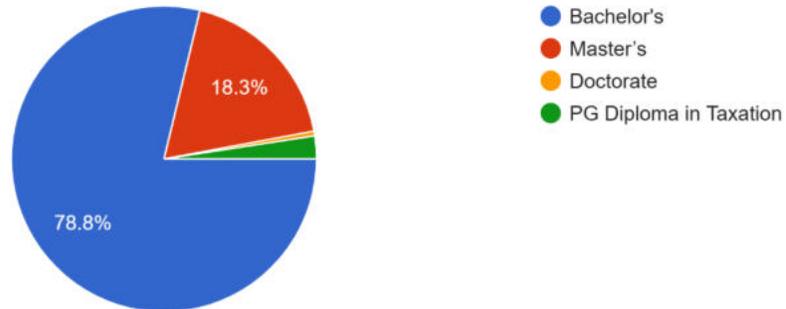

Gender

1,819 responses

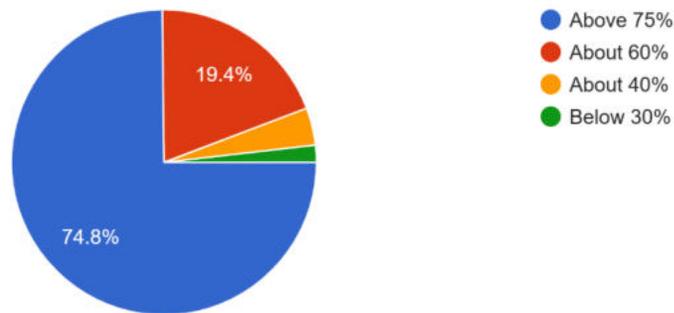

Which degree program are you pursuing ?

1,811 responses

Your attendance during the classes was about ____

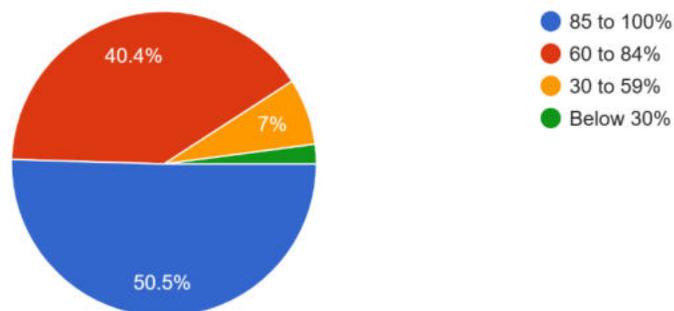

1,819 responses

• **Students response in Students Satisfaction Survey :**

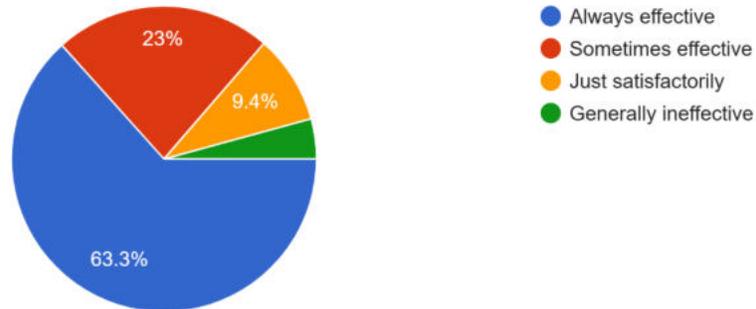

1. How much of the syllabus was covered in the class?

1,819 responses

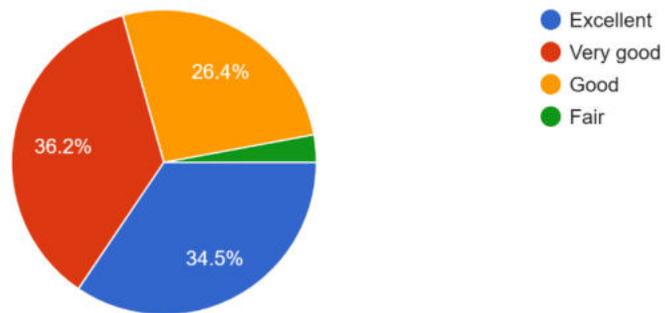

2. How well were the teachers able to communicate?

1,819 responses

1,819 responses

6. Teachers inform you about your expected competencies, course outcomes and programme outcomes.

1,819 responses

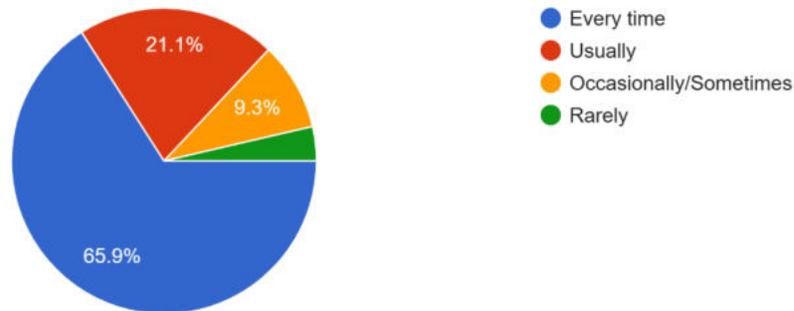

7. Your mentor does a necessary follow-up with an assigned task to you.

1,819 responses

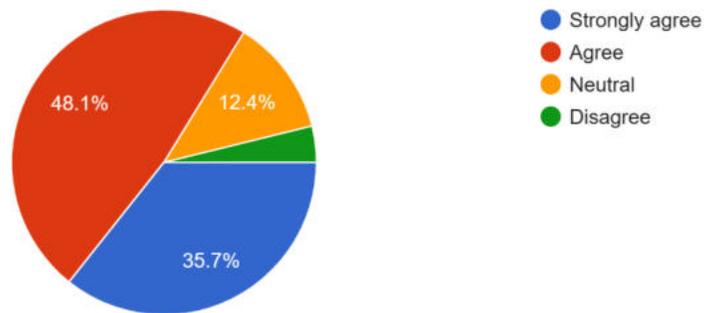

8. The teachers illustrate the concepts through examples and applications.

1,819 responses

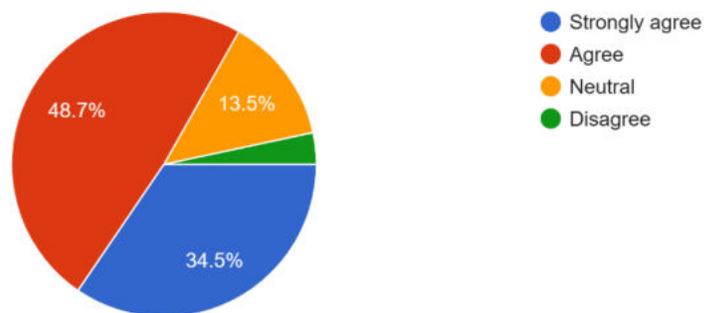

9. Teachers encourage you to participate in extracurricular activities.

1,819 responses

10. The overall quality of teaching-learning process in your institute is very good.

1,819 responses

There was one subjective question in the survey. The question was: 11. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

Out of 1819 students, 913 students suggested some important suggestions. The gist of suggestions/ comments given by the students are:

1. Students expressed their satisfaction about overall Teaching- learning process of the college.
2. Teachers should make use of better graphics and visuals, multimedia etc.
3. Teachers should make additional effort to reach out each and every student. They should ensure dialogue with students and solve their doubts.
4. More emphasis on skill based learning and promoting entrepreneurial skills in the students
5. It is expected to improve the mechanism of internal assessment.

Follow-up Action Plan for further improvement

1. Procure necessary equipment for various laboratories as per requirement and strength.
2. Sign and execute MoUs for skill based education.
3. Regular cleaning of classroom.
4. Plan the declaration of internal marks well in advance as part of academic calendar.
