Students' Satisfaction Survey 2023-24**

Students' Satisfaction Survey for the year 2023-24 was conducted online using a Google form. The link for ensuring students participation was shared with the students through college website, SMS, WhatsApp groups of their classes and Telegram channel of the college. This year, total 2508 students participated in the survey.

The form was divided into two sections- First section included primary details about faculty, gender, program offered and attendance of the students. The questions and a graphical summary of the responses of students is appended below in the form of Pie charts:

There was one subjective question in the survey.

The students were asked to:

11. Give three observations / suggestions to improve the overall teaching – learning experience in the institution.

Out of 2508 students, 600 students gave some really important suggestions. The gist of suggestions/ observations/ comments given by the students is as follows:

1. Students expressed their satisfaction about overall syllabus completion and overall teaching.
2. They expressed concern about the shortage of teaching staff in computer branch.
3. Students expected that their teachers should:
 - a. Make use of better graphics and visuals, multimedia etc.
 - b. Put in additional effort to reach out each and every student. They should ensure dialogue with students and solve their doubts.
 - c. Give more emphasis on assigning projects and real time problems to solve.
 - d. Classes of Hindi subject should be conducted.

➤ Follow-up Action Plan for further improvement:

1. Procure necessary equipment for various laboratories and library to make it more interactive.
2. Keep classrooms and benches clean.
3. Library Staff should keep silence in library to avoid disturbance in studies.
4. We should clean water-coolers regularly and ensure good maintenance. (particularly in the Girls' Common Room)
5. Washrooms on the first floor need regular cleaning and maintenance
6. Number latest books for competitive examinations should be increased.
7. More Digital Boards are required.
